Captain

John Grabowski

A native San Diegan, Captain John Grabowski is a 30 year veteran on San Diego's waterfront and one of the most respected and widely known sport fishing skippers in the business. His knowledge of saltwater fishing in general and long-range fishing in particular are unexcelled. In addition to serving as the relief skipper for the Red Rooster III, Grabowski's saltwater fishing seminars are much anticipated and routinely draw standing room only crowds at fishing shows up and down the west coast. Is there is a single word that describes John Grabowski's approach to fishing and willingness to share his knowledge with others, it is passionate. His previous radio experience includes five years as co-host of The Fishing Line on KFMB.
